FUNERAL PLANS

We recognise that every family and funeral are unique and we will work with you to tailor all funeral arrangements to suit your requirements and budget. We can take care of as much of the arrangements as you require, but if you'd prefer to do as much as possible yourself, we're happy to provide you with the guidance you need to make that possible.

Your loved one may have set aside money for their funeral or have a funeral plan in place. However if you're personally responsible, it's a good idea to see what you can afford and ensure you help us to work within your budget.
